Doveton House

Love Lane, Oldswinford, Stourbridge

Doveton House is a sheltered housing scheme for the elderly. It consists of 30 self-contained double and single apartments set in pleasant landscaped gardens with car parking facilities.

All apartments are unfurnished for **single people and couples**. There are also some apartments specially

designed for **disabled people**.

Kitchens are fitted, though without any cooker or fridge, and all apartments have fitted carpets throughout the lounge, bedroom(s) and hallway, with non-slip vinyl covering to bathroom and kitchen floors.

All apartments are **centrally heated** with electric storage heaters and are fitted with an **emergency alarm call system** and a **door entry system**.

Facilities

- Laundry with washing machines and tumble dryers
- Guest room for short stay visitors
- Emergency call system
- Private, well maintained gardens
- Assisted bathroom

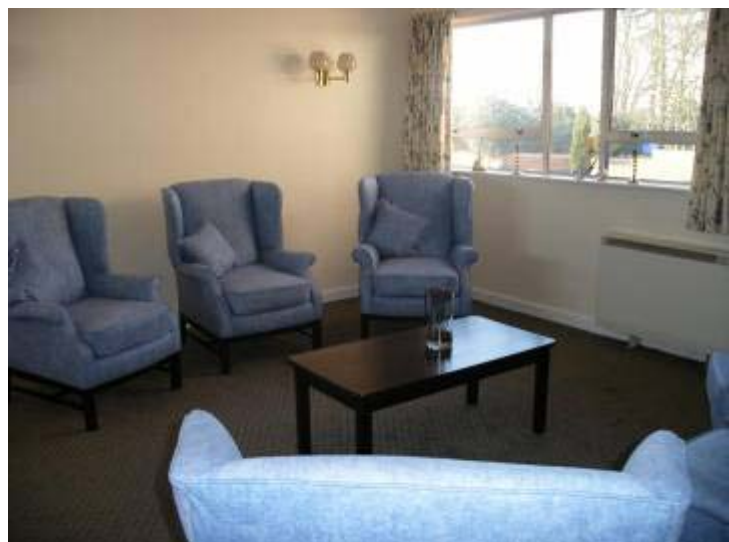

Communal Lounge/Dining Room

Our scheme has a communal lounge/dining room which is used for social and recreational activities, and a small lounge for smaller groups to meet for quieter activities and games.

The Scheme Manager works office hours Monday to Friday. His/her role is to ensure the building is well managed, to promote independence and to co-ordinate care services for those who need extra support.

There are a team of care assistants who are available over a seven day period.

The Parent Company

Doveton House is part of Black Country Housing Group, which is a community based housing association covering Sandwell, Dudley and Wolverhampton. We have over 30 years experience providing quality homes and other services for families, couples, single people, older persons and people with special needs. We are actively involved in urban renewal, economic and social regeneration and a number of environmental and sustainability projects.
